Dear BPE Families,

I wanted to make you all aware that our school will be a site for voting tomorrow, November 8.

I have met with district and county officials about this process and have arranged for security to be present all day to direct traffic and secure the building. Voters will be required to enter and exit the building through the exterior gym doors, and will not have access to the rest of the building.

PE will be held in an alternate location and the wall between the cafe and gym will be closed during morning assembly through the end of the school day.

Ms. Bryant and I will be present in front of the school during drop-off to ensure students get safely into morning assembly. Please leave your house a few minutes early on Election Day. We anticipate traffic delays around the building.

Thank you,

Heather Meek
