Dear Parents,

The following is a letter required by the Texas Education Agency to be sent to you. It announces the annual Bridge Point “School Report Card”. It reports STAAR performance data from the Spring of 2015 and a variety of other campus, district and state demographic and performance data. If you are a “data” person, enjoy.

Dear Parents,

At the following link you will find a copy of the State of Texas 2014-15 School Report Card for Bridge Point Elementary School:

<http://eanesisd.net/aboutdistrict/annual/src/BPE>

This is a report required by the Texas Legislature and prepared by the Texas Education Agency. It is to be sent to the parent or guardian of every child enrolled in Texas public schools. The report provides information concerning student performance on the State of Texas Assessments of Academic Readiness (STAAR), as well as information concerning expenditures, average class size, and student enrollment.

The information contained in the School Report Card is required by state law and is briefly described at the “2014-15 School Report Card Definitions” link:

The report for our school may or may not have all the information described, because the information presented depends on whether the school is an elementary, middle, or high school. State law requires that the information be provided for the state, the district and the school. Where possible, the information must be reported by race/ethnicity and socio-economic status of the students and must include at least two years of results.

Please contact me if you have any questions concerning the Bridge Point 2014-15 School Report Card. Thank you for your continued support of Bridge Point.

Sincerely,
M. Bradford Wirht
Principal
