

Dear Parents,

MONDAY – NOVEMBER 9 during MORNING ASSEMBLY

SLIME DAY! Principal Brad Wirht and BPE Parent/SF 49ers Kicker Phil Dawson will be *SLIMED* by six students from the grade level with the greatest percentage of family participants in the EEF “BUST the GAP” teacher fund campaign. Come join the fun....Who ya’ gonna’ call?

WEDNESDAY – NOVEMBER 11 during MORNING ASSEMBLY

Please join us for one of the most significant assemblies of the year. Following the Third Grade lead, the entire campus will participate in a VETERANS DAY Recognition Ceremony. The Third Grade will provide special invitation to family, friends and guests who have served in the United States Armed Forces. We are all connected to at least one current or former member of the Army, Navy, Air Force, Marine or Coast Guard. When we take a moment to think, most of us have a deep connection...parent, brother, sister, grandparent, close friend...whose service to our country has made it so we can continue to perfect our union.

On campus will be Veterans who will give more to us than an opportunity to extend our thanks and admiration. They will help personify the reality of the shield that surrounds our way of life and helps us to even playfully have a slime event! A few words, a patriotic song, a video, some introductions and a song of gratitude will be included in the ceremony. It is a big deal for our students and us, so nicely protected in our daily lives, to be re-connected to the daily reality of the sacrifice and dedication of our current and former service members AND their loved ones. Each year I am proud of our students...they get it.

If you have a moment, join us. And if you come and know of a friend or loved one who is a Veteran, please invite. We will be most grateful for their presence and their contribution to our understanding of this month’s Lifeskill, citizenship.
