

Dear Parents,

Inspired by International Peace Day, Bridge Point Arts Days and the Holiday Season, the Bridge Point students and staff give to you this video gift. It is an image of Peace formed on our soccer field one brilliant morning in October. The students move from symbol to action as they carry the message of peace to all they touch. View it and share it. Enjoy.

And to you and all you love, I join the entire Bridge Point staff in wishing you Peace and Happy Holidays.

Sincerely,

M. Bradford Wirht
Principal
